Our 3 Reception students enjoying puzzle donations from the Wooley family.  
Thankyou

On Thursday the 7<sup>th</sup> March, Peter from Basketball SA and Robbie (The Wirrabara Police Officer) came to school to run a basketball clinic with the 5/6/7's. We learnt how to dribble the ball, how to shoot properly and how to handle the ball. We played lots of games and the girls won. We had lots of fun.

Thankyou to Peter and Robbie

### Our school values 2013 - Responsibility - Honesty

Responsibility is the value emphasised in Term 1. In each class there are charts displayed indicating the daily responsibility each student has. In the 5/6/7 class there is a negotiated learning classroom agreement which included the right to choose where they sit, general rules, roles and responsibilities and procedures for assisting students with their learning and social behaviour in the classroom. All students then signed the agreement. Responsibility is something that often one will try to get out of as merely an expectation that another person will do it. If someone is away... what thought process will be needed to pre-empt that the job or responsibility will get done? Perhaps we can empower our children to take more responsibility on board in the home environment.

CPSW - Helen Wurst.
