What’s been happening at Laura Primary School?

There is one guarantee when working in a school, that no day is ever the same. That is one of the great things I enjoy about working as a teacher – the unpredictable nature of our job. This Term has certainly been that, unpredictable...So what’s been happening here of late, at Laura Primary School?

- A new staff room floor has been put in and a revamp of the staffroom had happened, due to white ants eating away part of the floor – the resilience of staff has been greatly appreciated during this time.
- LOTS of practicing for Jump Rope for Heart during class and break times
- The R/1 class has had a student teacher with them for the past 4 weeks – Tahlia Woolford engaged the students with some fantastic learning experiences
- The 2/3 class went for a stroll down the street as part of their Maths learning
- The pre-school came over for a visit yesterday, strengthening the links between the pre-school and primary school – the school will visit the pre-school in week 9
- Some highly engaging learning has been taking place in the classrooms, exciting the students and allowing their creativeness to shine through.
  Just to name a few – we shall see what the next few weeks will bring us.

A reminder that on the Friday of Week 9, July 1\textsuperscript{st}, we are having a STUDENT FREE DAY.

Staff on this day will be on site, working with our partnerships CPAC (Coordinator of Primary Australian Curriculum) on Digital Technologies – working with Ipads, Beebots, Probots and learning some Coding skills. We look forward to sharing our learning with the students in the second half of the year.

SAPSASA NEWS

Good luck to Daisy Wooley, Liam Wooley and Lillie Shepherdson who are part of the North Eastern SAPSASA Soccer Team playing in Adelaide on Monday 20\textsuperscript{th}-24\textsuperscript{th} June. The SAPSASA Football and Netball trials will be held on Tuesday June 28\textsuperscript{th} at Jamestown. A squad will be selected on this day to compete in Adelaide on the 15\textsuperscript{th}-19\textsuperscript{th} August.

Have a great fortnight

COMMUNITY NOTICES

Southern Cross Cultural Exchange are still URGENTLY trying find families for the last 7 French students and 1 Italian student arriving on the 6th July.
Can you please help?
Host families do not need to have a child the same age to have a student, what we require is people with a kind heart and a willingness to help bring different cultures closer together.
